NOTE ON INCOMPLETE DATA

Data processing problems have resulted in incomplete information on immigrants admitted in fiscal years 1980 and 1981, the loss of all nonimmigrant information for fiscal year 1980 and incomplete nonimmigrant information for fiscal year 1981.

Immigrants

A total of 132,541 records missing from the immigrant statistical file for fiscal year 1980 and 130,351 such records for fiscal year 1981 were reconstructed from an administrative data file on immigrants. This separate file was complete for both years but did not contain the following variables which were available in the statistical system:

- . Sex
- . Marital status
- . Occupation
- . Nationality
- . Country of last residence
- . State and area of intended residence
- . District of intended residence
- . Labor certification
- . Nonimmigrant class of initial admission and date of entry for adjustment cases.

Since these variables were not available for the entire 1980 and 1981 immigrant cohorts, tabulations routinely published including these variables do not appear in the 1980 and 1981 Statistical Yearbooks of the Immigration and Naturalization Service, and tables have been reordered and renumbered accordingly.

Foreign state of chargeability in Table 5 was derived from country of birth for 29,357 of the 330,409 immigrants subject to numerical limitation. As a result, immigrants chargeable to certain countries (for example, Hong Kong) are overstated since some persons born in oversubscribed countries (such as Hong Kong) would have been charged to the country of birth of an accompanying family member for which visa numbers were immediately available.

Nonimmigrants

Data on nonimmigrants were not available for July to September 1979 (4th quarter fiscal year 1979) and fiscal year 1980. For fiscal year 1981, country of last residence and class of admission were the only statistical variables for which data were available. Country of last residence by class of admission appears in Table 64 in the 1981 Yearbook.

Alien Address Program

The annual Alien Address Program was discontinued by Congress in December 1981 (Public Law 97-116). Tables 16, 17, and 18 showing the alien population in the United States in January 1980 have been reprinted in the 1981 Yearbook, since 1980 was the last year for which data are available.

Notes: From 1820-67, figures represent alien passengers arrived; from 1868-91 and 1895-97, immigrant aliens arrived; from 1892-94 and 1898 to the present time, immigrant aliens admitted. Data for years prior to 1906 relate to country whence alien came; data from 1906-79 are for country of last permanent residence; and data for 1980-81 refer to country of birth. Because of changes in boundaries and changes in lists of countries, data for certain countries are not comparable throughout.

The periods covered are as follows: from 1820-31 and 1843-49, the fiscal years ended on September 30 of the respective year—fiscal year 1843 covers 9 months. From 1832-42 and 1850-67, fiscal years ended on December 31 of the respective year—fiscal years 1832 and 1850 cover 15 months. For 1868, the period ended on June 30 and covers 6 months. Fiscal years 1868-1976 end on June 30 of the respective year. The transition quarter (TQ) for 1976 covers the 3-month period, July-September 1976. Since October 1, 1977, the data are for fiscal years ending September 30 of the respective year.

¹Data for Austria-Hungary were not reported until 1861. Austria and Hungary have been recorded separately since 1905. From 1938-1945, Austria is included in Germany.

²Poland recorded as a separate country from 1820-1898 and since 1920. From 1899-1919, Poland is included with Austria-Hungary, Germany, and U.S.S.R.

³From 1820-1868, the figures for Norway and Sweden are combined.

⁴No record of immigration from Romania until 1880.

⁵From 1931-1963, the U.S.S.R. is broken down into European U.S.S.R. and Asian U.S.S.R. Since 1964 total U.S.S.R. has been reported in Europe.

⁶From 1925 to present, data for United Kingdom refer to Great Britain, Scotland, Wales, and Northern Ireland. Prior to 1925, data for Northern Ireland are included in Ireland. For the years 1901-1951, United Kingdom, not specified, is included in "Other Europe".

⁷No record of immigration from Japan until 1861.

⁸Prior to 1920, Canada and Newfoundland are recorded as British North America. From 1820-1898, the figures include all British North American possessions.

⁹No record of immigration from Mexico from 1886-1893.

¹⁰Countries added to the list since the beginning of World War I are included with the countries to which they belonged. Figures available since 1920 for Czechoslovakia and Finland and, since 1924, for Albania, Estonia, Latvia, and Lithuania.

¹¹Bulgaria, Serbia, and Montenegro were first reported in 1899. Bulgaria has been reported separately since 1920; also in 1920, a separate enumeration was made for the Kingdom of Serbs, Croats, and Slovenes. Since 1922, the Serbs, Croat, and Slovene Kingdom has been recorded as Yugoslavia.

¹²Figures for Luxembourg are available since 1925.

¹³Included with countries not specified to 1925.

¹⁴The figure 33,523 in column headed 1901-1910 includes 32,897 persons returning in 1906 to their homes in the United States.

¹⁵Beginning with the year 1952, Asia includes the Philippines. From 1934-1951, the Philippines are included in the Pacific Islands. Prior to 1934, the Philippines are recorded in separate tables as insular travel.

¹⁶Beginning with the year 1957, China includes Taiwan.

TABLE 10

REFUGEES--AUTHORIZED ADMISSIONS AND APPROVALS
BY GEOGRAPHIC AREA OF CHARGEABILITY
FISCAL YEAR 1981

GEOGRAPHIC AREA OF CHARGEABILITY	REFUGEES	
	Authorized Admissions ¹	Approvals ²
TOTAL	217,000	155,291
Africa	3,000	3,784
Asia	165,600	124,719
Eastern Europe	6,900	7,694
Latin America	4,000	1,210
Near East	4,500	6,733
Soviet Union	33,000	11,151

¹Authorized admissions are the total number of refugees allowed to enter the United States in a fiscal year, as directed by the President according to P.L. 96-212.

²Approvals are the number of refugees approved for admission to the United States, by INS overseas offices, during the fiscal year. FY 1981 approvals for Africa, Eastern Europe, and the Near East exceeded the authorized admissions. INS approval indicates that the refugee has been approved for entry to the United States. However, actual entry is dependent upon the availability of a refugee number for the specified area of chargeability. If no number is available, the refugee cannot enter the U.S. at that time, but must wait until a number is available. Therefore, approvals may exceed the authorized admissions, whereas, actual admissions by geographic area of chargeability may not exceed the authorized admission figures. INS admission data for the period are not available.

GLOSSARY

ACQUIRED CITIZENSHIP - Citizenship conferred at birth for children born abroad to a citizen parent(s).

ADJUSTMENT TO IMMIGRANT STATUS - Procedure allowing certain aliens already in the United States to apply for immigrant status. Aliens admitted to the United States in a nonimmigrant or other capacity may have their status changed to that of lawful permanent resident if they are eligible to receive an immigrant visa as a permanent resident and an immigrant visa is immediately available. In such cases, the alien is counted as an immigrant as of the date of adjustment, even though the alien may have been in the United States for an extended period of time.

ALIEN - Any person not a citizen or a national of the United States.

ALIEN ADDRESS REPORT PROGRAM - A now-defunct annual registration program for aliens. Until P.L. 97-116 (Act of 12/29/81) eliminated the stipulation, all aliens in the United States were required to register with the Immigration and Naturalization Service each January. Nationality and state of residence data were compiled annually on the alien population reporting under the program. The last year for which data are available is 1980.

APPREHENSION - The arrest of a deportable alien by the Immigration and Naturalization Service. Each apprehension of the same alien in a fiscal year is counted separately.

AREA CONTROL - Enforcement operations conducted by the Immigration and Naturalization Service's Investigations Division to locate and apprehend aliens illegally in the United States. Area Control surveys focus on places of employment where illegal aliens are concentrated.

ASYLEE - An alien in the United States or at a port of entry unable or unwilling to return to his or her country of nationality, or to seek the protection of that country because of persecution or a well-founded fear of persecution. Persecution or the fear thereof may be based on the alien's race, religion, nationality, membership in a particular social group or political opinion. For persons with no nationality, the country of nationality is considered to be the one in which the alien last habitually resided.

BENEFICIARIES - Those aliens who receive immigration benefits from petitions filed with the U.S. Immigration and Naturalization Service. Beneficiaries generally derive privilege or status as a result of their relationship (including that of employer-employee) to a U.S. citizen or lawful permanent resident.

BORDER CROSSER - An alien or citizen resident of the United States reentering the country across land borders after an absence of less than six months in Canada or Mexico, or a nonresident alien entering the United States across the Canadian border for stays of no more than six months or across the Mexican border for stays of no more than 72 hours, or a U.S. citizen residing in Canada or Mexico who enters the United States frequently for business or pleasure.

BORDER PATROL SECTOR - Any one of 21 geographic areas into which the United States is divided for the Immigration and Naturalization Service's Border Patrol activities. Of the 21 sectors, all but one are located along the northern and southern borders of the United States.

CERTIFICATE OF CITIZENSHIP - Identity document proving U.S. citizenship. Certificates of citizenship are issued to derivative citizens and to persons who acquired U.S. citizenship (see definitions for acquired and derivative citizenship)

CHILD - An unmarried person under 21 years of age who is: a legitimate child; a stepchild provided that the child was under 18 years of age at the time that the marriage creating the stepchild status occurred; a legitimated child provided that the child was legitimate while in the legal custody of the legitimating parent; an illegitimate child (has only one possible parent, the mother); a child adopted while under 16 years of age who has resided since adoption in the legal custody of the adopting parents for at least 2 years; or an orphan, under 16 years of age, who has been adopted abroad by a U.S. citizen or has an immediate relative visa petition submitted in his/her behalf and is coming to the United States for adoption by a U.S. Citizen.

COUNTRY OF FORMER ALLEGIANCE - The previous country of citizenship of a naturalized U.S. citizen or of a person who derived U.S. citizenship.

COUNTRY OF LAST RESIDENCE - The country in which an alien habitually resided prior to entering the United States.

CREWMAN - A foreign national serving in any capacity on board a vessel or aircraft. Crewman are admitted for twenty-nine days, with no extensions. Crewmen required to depart on the same vessel on which they arrived are classified as D-1s. Crewmen who depart on a vessel different than the one on which they arrived are classified D-2s.

CREWMEN TECHNICAL (or NONWILLFUL) VIOLATOR - Any crewman who through no fault of his or her own remains in the United States more than 29 days (e.g., a crewman hospitalized beyond the 29-day admission period).

CUBAN/HAITIAN ENTRANT - Status accorded 1) Cubans who entered the United States illegally prior to June 19, 1980 and 2) Haitians who entered the country illegally before January 1, 1981.

DECLARATION OF INTENTION - Form once filed by a lawful permanent resident as the first step toward naturalization. After two years residence as an immigrant, the alien could file an application for naturalization. A declaration of intention has not been required of all applicants for naturalization since 1952. However, an immigrant may need to file the form for employment purposes.

DEPARTURE UNDER SAFEGUARDS - An illegal alien's departure from the United States, when that departure is physically observed by an Immigration and Naturalization Service official.

DEPORTABLE ALIEN - An alien in the United States subject to any of the 19 grounds of deportation specified in the Immigration and Nationality Act. This includes any alien illegally in the United States, regardless of whether the alien entered the country illegally or entered legally but subsequently violated the terms of his or her visa.

DEPORTATION - The formal removal of an alien from the United States when the presence of that alien is deemed inconsistent with the public welfare. Deportation is ordered by an immigration judge without any punishment being imposed or contemplated.

DERIVATIVE CITIZENSHIP - Citizenship conveyed to children through the naturalization of parents or, under certain circumstances, to spouses of citizens at marriage.

DISTRICT - Any one of thirty-five geographic areas into which the United States and its territories are divided for INS field operations or one of three overseas offices located in Rome, Hong Kong or Mexico City. Operations are supervised by a District Director located at a District Office within the District's geographic boundaries.

EXCLUSION - The formal denial of an alien's entry into the United States. The exclusion of the alien is made by an Immigration Judge after an exclusion hearing.

EXEMPT FROM NUMERICAL LIMITATIONS - Those aliens accorded lawful permanent residence who are exempt from the provisions of the preference system set forth in immigration law. Exempt categories include immediate relatives of U.S. citizens, refugees, special immigrants, and certain other immigrants.

EXPATRIATION - The loss of citizenship as a result of a formal transference of loyalties to another country. The tables included in this report only include expatriations of naturalized citizens.

FILES CONTROL OFFICE - An INS field office--either a District (including INS overseas offices) or a suboffice of that District--where alien case files are maintained and controlled.

FISCAL YEAR - The twelve-month period beginning October 1 and running through September 30. Prior to FY 1977, the fiscal year ran from July 1 through June 30. (For earlier fiscal year date changes, see note in Table 2.)

FOREIGN STATE OF CHARGEABILITY - The independent country to which an immigrant entering under the preference system is accredited. Independent countries cannot exceed 20,000 immigrants in a fiscal year. Dependencies of independent countries cannot exceed 600 of the 20,000 limit. Chargeability is usually determined by country of birth. Exceptions are made to prevent the separation of family members when the limitation for the country of birth has been met.

GENERAL NATURALIZATION PROVISIONS - The basic requirements for naturalization that every applicant must meet, unless a member of a special class. General provisions require an applicant to be at least 18 years of age, a lawful permanent resident with five years of continuous residence in the United States, and to have been physically present in the country for half that period.

GEOGRAPHIC AREA OF CHARGEABILITY - Any one of five regions--Africa, East Asia, Latin America and the Caribbean, Near East and South Asia, and the USSR and Eastern Europe--into which the world is divided for the initial admission of refugees to the United States. Annual consultations between the Executive Branch and the Congress determine the number of refugees that can be admitted to the United States from each area.

HEMISPHERIC CEILINGS - Statutory limits on immigration to the United States in effect from 1968 to October 1978. Mandated by the Immigration and Nationality Act Amendments of 1965, the ceiling on immigration from the Eastern Hemisphere was set at 170,000, with a per-country limit of 20,000. Immigration from the Western Hemisphere was held to 120,000, without a per-country limit until January 1, 1977. The Western Hemisphere was then subject to a 20,000 per-country limit.

IMMEDIATE RELATIVES - Certain immigrants who because of their close relationship to U.S. citizens are exempt from the numerical limitations imposed on immigration to the United States. Immediate relatives are: spouses of citizens, children (under 21 years of age) of citizens, parents of citizens 21 years of age or older and orphans adopted by U.S. citizens who are at least twenty-one years of age.

IMMIGRANT - An alien admitted to the United States as a lawful permanent resident. Immigrants are those persons lawfully accorded the privilege of residing permanently in the United States. They may be issued immigrant visas by the Department of State overseas or adjusted to permanent resident status by INS in the United States.

LABOR CERTIFICATION - Requirement falling on 1) those persons whose immigration to the United States is based on job skills (third, sixth and nonpreference immigrant categories) and 2) nonimmigrant temporary workers (H-2s) coming to perform services unavailable in the United States. Labor certification is awarded by the Secretary of Labor when there are insufficient numbers of U.S. workers available to undertake the employment sought by an applicant and when the alien's employment will not have an adverse effect on the wages and working conditions of U.S. workers similarly employed. Determination of U.S. labor availability is made at the time of a visa application and at the location where the applicant wishes to work.

MEDIAN AGE - The age which divides the population into two equal-sized groups, one younger and one older than the median.

NATIONALITY - The country of a person's citizenship.

NATURALIZATION - The conferring, by any means, of citizenship upon a person after birth.

NATURALIZATION COURT - Any court authorized to award U.S. citizenship. Jurisdiction for naturalization has been conferred upon the following courts: U.S. District Courts in all states, the District of Columbia and Puerto Rico; the District Courts of Guam and the Virgin Islands; and state courts. Generally, naturalization courts are authorized to award citizenship only to those persons who reside within their territorial jurisdiction.

NATURALIZATION PETITION - The form used by a lawful permanent resident to apply for U.S. citizenship. The petition is filed with a naturalization court through the Immigration and Naturalization Service.

NEW ARRIVAL - A lawful permanent resident alien who enters the United States at a port of entry. The alien is generally required to present an immigrant visa, issued outside the United States by a consular officer of the Department of State. Three classes of immigrants, however, need not have an immigrant visa to enter the United States--children born abroad to lawful permanent resident aliens, children born subsequent to the issuance of an immigrant visa to accompanying parents and American Indians born in Canada.

NONIMMIGRANT - An alien who seeks temporary entry to the United States for a specific purpose. The alien must have a permanent residence abroad and qualify for the nonimmigrant classification sought. Nonimmigrants include: foreign government officials, officials and employees of international organizations, visitors for business and pleasure, crewmen, students, trainees, and temporary workers of distinguished merit and ability or who perform services unavailable in the United States. Refugees are also considered nonimmigrants when initially admitted.

NONPREFERENCE CATEGORY - Visa numbers not used in any of the first six categories of the preference system. Nonpreference visas are available to any applicant not entitled to one under the other preferences. Nonpreference numbers have been unavailable since September 1978 because of high demand in the preference categories.

OCCUPATION - For an alien entering the United States or adjusting without a labor certification, occupation refers to the employment held in the country of last or legal residence or the United States. For an alien with a labor certification, occupation is the employment for which certification has been issued. Labor certification would be issued to third, sixth and nonpreference immigrants or to nonimmigrant temporary workers (H-2) performing services unavailable in United States.

OCCUPATIONAL PREFERENCES - The third and sixth categories of the preference system. Third preference allows for the admission of members of the professions, and scientists or artists of exceptional ability. Sixth preference covers skilled or unskilled occupations for which labor is in short supply in the United States.

ORPHAN - For immigration purposes, a child whose parents have died or disappeared, or who has been abandoned or otherwise separated from both parents. An orphan may also be a child whose sole or surviving parent is incapable of providing that child with proper care and who has, in writing, irrevocably released the child for emigration and adoption. In order to qualify as an immediate relative, the orphan must be under the age of sixteen at the time a petition is filed on his or her behalf. To enter the United States, an orphan must have been adopted abroad by a U.S. citizen or be coming to the United States for adoption by a citizen.

PANAMA CANAL ACT IMMIGRANTS - Three categories of special immigrants established by P.L. 96-70, the Act of September 27, 1979: 1) certain former employees of the Panama Canal Company or Canal Zone Government, their spouses and children; 2) certain former employees of the U. S. Government in the Panama Canal Zone, their spouses and children; and 3) certain former employees of the Panama Canal Company or Canal Zone Government on April 1, 1979, their spouses and children. The Act provides for admission of a maximum of 15,000 immigrants, at a rate of no more than 5,000 a year. They are not, however, subject to the worldwide ceiling.

PAROLEE - An alien allowed to enter the United States under emergency conditions or when that alien's entry is determined to be in the public interest. Parole is temporary and does not constitute a formal admission to the United States. Persons paroled into the United States are required to leave when the conditions supporting their parole cease to exist.

PER-COUNTRY LIMIT - The maximum number of immigrant visas that can be issued to any one country in a fiscal year. Independent countries can currently use no more than 20,000 visa numbers; their dependencies no more than 600 of that total. The per country limit does not mean, however, that a country will be given 20,000 visa numbers each year, just that it cannot receive more than that number. Because of the combined workings of the preference system and per-country limits, most countries do not reach this level of visa issuance.

PORT OF ENTRY - Any location in the United States or its territories which is designated as a point of entry for aliens and U.S. citizens. All District and Files Control Offices are also considered ports since they become locations of entry for aliens adjusting to immigrant status.

PREFERENCE SYSTEM - The six categories among which 270,000 immigrant visa numbers are distributed each year--Unmarried sons and daughters (over 21 years of age) of U.S. citizens (20 percent); spouses, and unmarried sons and daughters of lawful permanent residents (26 percent); members of the professions or persons of exceptional ability in the sciences and arts (10 percent); married sons and daughters of U.S. citizens (10 percent), brothers and sisters of U.S. citizens over 21 years of age (24 percent) and needed skilled or unskilled workers (10 percent). A seventh nonpreference category, historically open to immigrants not entitled to a visa number under one of the six preferences just listed, has had no numbers available since September 1978.

PRINCIPAL ALIEN - The alien from whom another alien derives a privilege or status under immigration law or regulation.

REFUGEE - Any person who is outside his or her country of nationality and who is unable or unwilling to return to that country because of persecution or a well-founded fear of persecution. Persecution or the fear thereof may be based on the alien's race, religion, nationality, membership in a particular social group, or political opinion. People with no nationality must be outside their country of last habitual residence to qualify as a refugee.

REFUGEE APPROVALS - The number of refugees approved for admission to the United States during a fiscal year. Refugee approvals are made by INS officers in overseas offices.

REFUGEE AUTHORIZED ADMISSIONS - The maximum number of refugees allowed to enter the United States in a given fiscal year. As set forth in the Refugee Act of 1980, P.L. 96-212, the annual figure is determined by the President after consultations with Congress.

REFUGEE-CONDITIONAL ENTRANT - An alien who entered the United States or who adjusted to lawful permanent resident status under the seventh preference category of P.L. 89-236, the Act of October 3, 1965. Visa numbers for conditional entrants were limited to six percent of the total numerical limitation. The seventh preference was abolished by the Refugee Act of 1980 (P.L. 96-212) and the six percent limitation assigned to second preference. At the same time, the world wide numerical limit was reduced from 290,000 to 270,000.

REFUGEE-PAROLEE - A qualified applicant for conditional entry, between February 1970 and April 1980, whose application for admission to the United States could not be approved because of inadequate numbers of seventh preference visas. As a result, the applicant was paroled into the United States.

REGION - Any one of four areas of the United States among which the Immigration and Naturalization Service's district offices are divided for administrative purposes--Eastern Region, Southern Region, Northern Region, and Western Region.

RELATIVE PREFERENCES - The first, second, fourth, and fifth categories of the preference system. The first preference allows the entry of unmarried sons and daughters (over 21 years of age) of U.S. citizens. Second preference covers spouses and unmarried sons and daughters of aliens lawfully admitted for permanent residence. Fourth preference allows for the entry of married sons and daughters of U.S. citizens. Fifth preference deals with the brothers and sisters of U.S. citizens, provided such citizens are at least twenty-one years of age.

REQUIRED DEPARTURE - The directed departure of an alien from the United States without an order of deportation. The departure may be voluntary or involuntary on the part of the alien, and may or may not have been preceded by a hearing before an Immigration Judge.

SILVA IMMIGRANTS - Immigrants from independent Western Hemisphere countries and their spouses and children who were issued preference numbers under the Silva Program (1977-1981). The Silva Program was instituted by court order to provide for the recapture of 144,946 preference visa numbers originally used for Cuban refugee adjustments. Silva numbers, although subject to an overall numerical limitation, were assigned in addition to the annual worldwide ceiling.

SPECIAL IMMIGRANTS - Certain categories of immigrants exempt from numerical limitations on visa issuance—persons who lost citizenship by marriage; persons who lost citizenship by serving in foreign armed forces; ministers of religion, their spouses and children; certain employees or former employees of the U.S. Government abroad, their spouses and children; and Panama Canal Act immigrants.

SPECIAL NATURALIZATION PROVISIONS - Provisions covering special classes of persons who may be naturalized even though they do not meet all the general requirements for naturalization.
