Sections 92 and 217 contained in the engrossed Bill making appropriations for the fiscal year 2013 (see House, No. 4200), which had been returned by His Excellency the Governor with recommendation of amendment (for message, see Attachment E of House, No. 4240). July 8, 2012.

The Commonwealth of Massachusetts

In the Year Two Thousand Twelve

An Act relative to the registration of motor vehicles and trailers.

Whereas, the deferred operation of this act would tend to defeat its purpose, which is forthwith to provide for the registration of motor vehicles and trailers, therefore, it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. Section 2 of chapter 90 of the General Laws, as appearing in the 2010 Official Edition, is hereby amended by striking out the first and second paragraphs and inserting in place thereof the following 2 paragraphs:-

Applications for the registration of motor vehicles and trailers may be made by the owner thereof. If the owner is a corporation, sole proprietorship or business entity, the application shall contain, in addition to such other particulars as may be required by the registrar, the name of the

7 corporation, sole proprietorship or business entity and the full address, including the street, city
8 or town, state and zip code. If the owner is a sole proprietorship, the application shall contain a
9 social security number and an employer identification number or federal tax identification
10 number from the Internal Revenue Service, if any such number has been issued. If the applicant
11 is a natural person, the application shall contain, in addition to such other particulars as may be
12 required by the registrar, the name of the applicant, full residential address, date of birth and
13 license number or identification card number issued by the registrar, if such license or card has
14 been issued. The application of a natural person shall also contain the apartment or unit number
15 if the applicant's address is in an apartment house, family hotel, condominium or a residential
16 flat or is in a combined business and residential property. Except as otherwise provided in this
17 chapter, no registration shall be issued to a natural person for a motor vehicle or trailer unless
18 such person holds a license, identification card issued under section 8E, social security number
19 issued by Social Security Administration or other proof of legal residence; provided, however,
20 that the registrar shall provide by regulation for exemptions for out-of-state students, military
21 personnel, senior citizens and disabled persons; provided, further, that the registrar may provide
22 by regulation additional exemptions which shall be consistent with this section. The application
23 shall also contain a brief description of the motor vehicle or trailer to be registered, including the
24 name of the maker, any number or numbers as may be required by the registrar to properly
25 identify the vehicle, the character of the motor power and the type of transmission and a
26 statement signed by the applicant under the penalties of perjury that no excise liabilities on the
27 motor vehicle are outstanding and incurred by the applicant, a member of the applicant's
28 immediate family who is a member of the applicant's household or any business partner of the

29 applicant. The registration fee, as required under section 33, shall accompany the application.

30 Applicants for registration shall also comply with chapter 90D.

31 The registrar or the registrar's duly authorized agents shall keep a record of motor vehicles and
32 trailers that satisfy application requirements, and shall assign to each motor vehicle and trailer a
33 distinguishing mark or number to be known as the register number for that vehicle or trailer, and
34 shall thereupon issue to the applicant a certificate of registration. If the owner is a corporation,
35 sole proprietorship or business entity, the certificate shall contain the name and address of the
36 corporation, sole proprietorship or business entity and the register number or mark and shall be
37 in such form and contain such further information as the registrar may determine. If the owner is
38 a natural person, the certificate shall contain the name, place of residence and address of the
39 applicant and the register number or mark and shall be in such form and contain such further
40 information as the registrar may determine.

41 SECTION 2. The registrar of motor vehicles shall promulgate regulations pursuant to the sixth
42 sentence of the first paragraph of section 2 of chapter 90 of the General Laws no later than
43 January 1, 2013.
