The ICE Threat Levels reflect the priorities outlined in Director Morton's June 2010 Memorandum entitled ICE Civil Immigration Enforcement Priorities effective October 1, 2010. Since FY 2011, ICE has defined criminality as whether or not an alien has an ICE Threat Level (convicted criminal) or not (non-criminal immigration violator). For purposes of prioritizing the removal of aliens convicted of crimes, ICE personnel refer to the following offense levels: Level 1, Level 2, and Level 3 offenders. Level 1 offenders are those aliens convicted of "aggravated felonies," as defined in § 101(a)(43) of the Immigration and Nationality Act, or two (2) or more crimes each punishable by more than 1 year, commonly referred to as "felonies." Level 2 offenders are aliens convicted of any other felony or three (3) or more crimes each punishable by less than 1 year, commonly referred to as "misdemeanors." Level 3 offenders are aliens convicted of "misdemeanor" crime(s) punishable by less than 1 year. Prior to FY 2011, ICE used SC levels 1, 2, and 3 for prioritization purposes.
