The Center for Immigration Studies is an independent, non-partisan, non-profit research organization founded in 1985. It is the nation's only think tank devoted exclusively to research and policy analysis of the economic, social, demographic, fiscal, and other impacts of immigration on the United States. It is the Center's mission to expand the base of public knowledge and understanding of the need for an immigration policy that gives first concern to the broad national interest. We need your support in this endeavor. Please fill out this form and mail it to the address below. Thank you for your support.
