

E-Verify PERFORMANCE

The statistics in the above chart report E-Verify case processing results through Fiscal Year 2018. All figures are expressed as a percentage of the total number of cases submitted and percentages are rounded. Total E-Verify Cases: 37,604,948. Cases Not Found Work Authorized: 351,628.

Most employees are automatically confirmed as work authorized.

- 98.91 percent of employees are automatically confirmed as authorized to work ("work authorized") either instantly or within 24 hours, requiring no employee or employer action
- 1.09 percent of employees receive initial system mismatches.

Of the 1.09% of employees who receive initial system mismatches:

- 0.16 percent are later confirmed as work authorized after contesting and resolving the mismatch.
- 0.94 percent are not found work authorized.

Of the 0.94% of employees not found to be work authorized:

- 0.37 percent do not contest the mismatch either because they do not choose to or are unaware of the opportunity to contest and as a result are not found work authorized.
- 0.02 percent contest the mismatch and are not found work authorized.
- 0.55 percent are unresolved either because the employer closed the case as "self-terminated" or because the case was awaiting further action by either the employer or employee at the end of FY18.

Percentage may not appear to sum based on rounding.
